Meditation

Listen to the free meditation mp3 on the TRBE Coaching Program site. Find a quiet place to sit and use headphones. Breathe deeply and when you get distracted, count your breath. Use circular breathing: in through the nose, out through the mouth.

Download a free Meditation app for on-the-go stress relief.

Mandalas

Find a quiet place to sit with a printed mandala template and colored pencils. Turn on relaxing music if you wish and color the mandala in however you like.
